

January 4, 2016

Dear Forensics Colleague,

Thank you so much for joining us for the 2016 ASU Southwest Championship! On behalf of the ASU Forensics team and the Hugh Downs School of Communication, we would like to welcome you to our beautiful campus. We value your participation and if there is anything we can do to help make your tournament experience more worthwhile, please don't hesitate to let us know. This year's tournament has some of the largest debate divisions at the SWC in recent memory, with 85 schools and 10 states represented.

Unfortunately, two of our larger buildings are under renovation this year and will not be available for the tournament. This has resulted in a few changes for this year. We will be more spread out than we have been in past years. We will also have a lot of overlapping rooms for speech and LD/PF rounds on Friday, where we normally have dedicated rooms for each event. This means we are **asking all LD/PF judges to vacate their competition rooms as soon as their round is done speaking on Friday.** Final decisions and discussions about the decision can take place in hallways or outside. We will have ASU students facilitating transitions between rounds and verifying that rounds are starting on time. Ballots will be out well in advance of start times to ease this transition.

Below you will find relevant logistical information.

Tournament Headquarters: Discovery Building (DISC)

Student Help Desk: Memorial Union Fountain. (Concessions will also be here)

Parking information: On Thursday and Friday, you can pay to park in Lot 20 Visitor Parking located on the northwest corner of campus on University & Mill. This lot will remain open until 10pm. On Saturday, you can park for free in the Gammage Hall Lot (Lot 3) at the intersection of Mill, Apache, and Forest Ave. This lot is immediately adjacent to the tournament HQ at Discovery. The Apache and Rural Road structures are also open for paid visitor parking on Thursday/Friday but they close at 9pm.

Bus drop off information: Closest to tournament HQ: Forest Avenue L, southwest corner of campus, next to Gammage Hall. Next closest: The Myrtle/10th Street L on the Northwest side of campus. Least convenient: north section of McAlister Avenue, runs through eastern half of campus. Least convenient: NOTE: if your bus needs to park near campus during the day, contact us directly at southwest.championship@gmail.com and we can provide information.

Rooms: Here is a list of important rooms to know. Please share these with your students and staff. This list of rooms is also highlighted on the enclosed campus maps. (For campus maps see:

Special Tabroom.com features. We strongly encourage all judges and students to create accounts at Tabroom.com to get the most out of the online features it has to offer. Anyone with an account can receive texts and/or emails of the pairings or look them up at asu.tabroom.com. Students can claim their entry at the tournament and receive online notifications of their pending rounds. Debate judges will receive their ballots online. Coaches can choose to receive notifications for any of their students. Detailed explanations for these functions will appear on asu.tabroom.com later today.

ASU Mobile App: For all judges and competitors with smartphones, we highly recommend downloading this app for its detailed campus map. It uses GPS to give you walking directions straight to your building.

Please ask your students to help us take care of our campus! We have been very fortunate in the past few years and have been able to return damage deposits to participating schools. Please ask your students to clean up after themselves and encourage students in the rounds you judge to pick up their own trash. We really appreciate your diligence in this regard.

Thank you again for your support of the ASU Southwest Championship!

Wishing you and your team all the best in 2016,

Adam Symonds & the ASU Forensics Team
