

QUICK START GUIDE

<http://pivot.cos.com>

CREATING YOUR ACCOUNT

If you don't have a Pivot account, go to <http://pivot.cos.com> and click on the **Sign up** link in the upper right of the screen. Fill out your Name, Email, Password, and Affiliated Institution. (The email you register with must be the email at your affiliated institution. Pivot will not allow you to create an account if you enter a non-institutional email address.) Click the "Create my account" button and Pivot will send you an email to the address you supplied; in the email will be a verification URL. Click on the URL and you can begin using Pivot right away!

LOGGING IN

There are two ways to access Pivot:

- 1) Use an on-campus computer and go directly to <http://pivot.cos.com>.
- 2) Log into Pivot at <http://pivot.cos.com> with your username and password. (If you have an old COS.com username and password, it will work with Pivot.) If you don't already have one, you can create one from the same page. If you've forgotten your log in information, click the "Login help" link for assistance.

You can log in to Pivot from off-campus to access your account and search for Funding or Scholars. You can also log in to Pivot from on-campus if you wish to view your Pivot homepage, manage your Funding Alerts, and/or view your tracked or active opportunities.

NEED MORE HELP?

Online Tutorials and Help Docs

Tutorials, Help documents, and FAQs are available online to learn more about Pivot. Click on the Help button at the top of any page in Pivot or the Help/Support link at the bottom of any page.

Webinars

Complimentary training webinars are available for Pivot. A complete listing of webinar sessions can be found at www.refworks-cos.com/training. New dates and times are added monthly.

Online Support

Click on Contact the Help Desk on the bottom of the Support page to fill out a form that will go to our help desk staff. Or, email them directly at support@refworks-cos.com.

Phone

Contact the help desk at +1.775.327.4105.

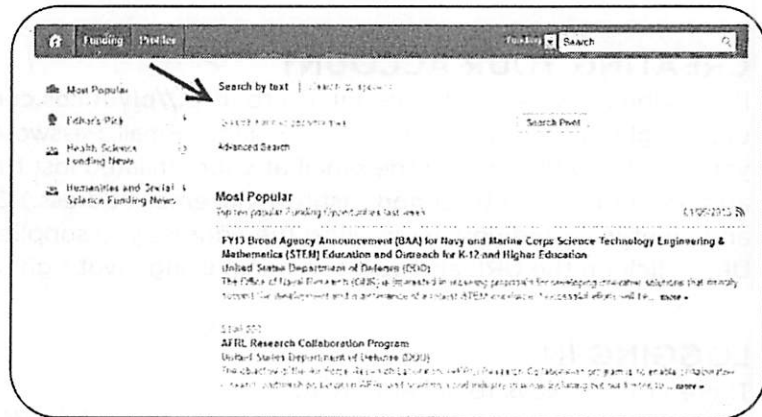

SEARCHING PIVOT FUNDING

There are several ways to search the Funding area of Pivot: Quick Search, Advanced Search and Sponsor search.

QUICK SEARCH

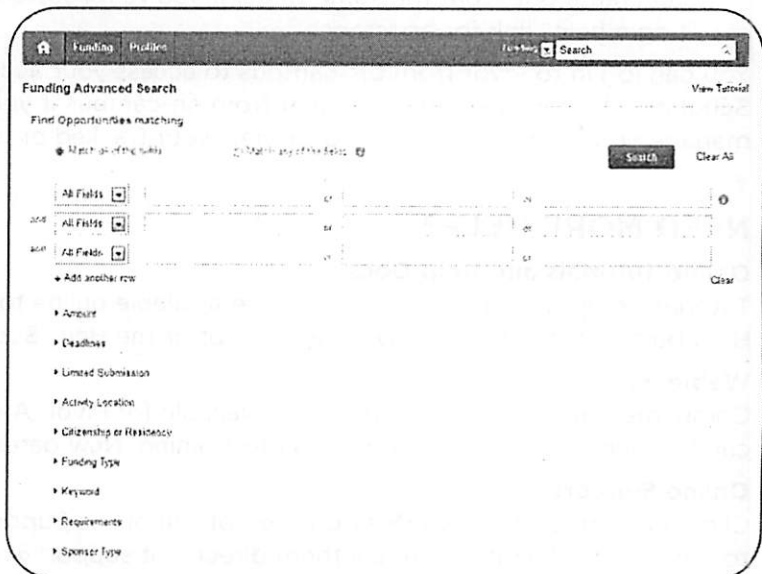

Use the Quick Search feature to search all fields of the funding opportunities in the database. To produce maximum results, all search terms entered are connected by the Boolean connector OR. The results of a Quick Search are always ranked by relevancy.

1. Enter your search terms into the text box.
2. Click the "Search Pivot" button.

ADVANCED SEARCH

1. Start by selecting the **Match All** or **Match Any** radio button at the top of the screen. This selection will add "And" or "Or" to the search rows beneath the option.
2. Click on the drop-down menu to select which field to search (**All Fields**, **Abstract**, **Title**, **Sponsor**, or **Sponsor ID**).
3. Enter your search terms into the boxes. If additional rows are needed, click **Add another row**.
4. Additional fields are available - click on any field name to expand the field options.
5. Click **Search**.

Helpful Hint: You can determine which opportunities to exclude by entering terms in the Exclude These section.

Also note that your campus administrator may have pre-set Activity Location and/or Citizenship filters that are automatically included in your Funding Search. If those filters are set, you will see them at the top of the search screen. You can remove them by deselecting the check boxes to the left.

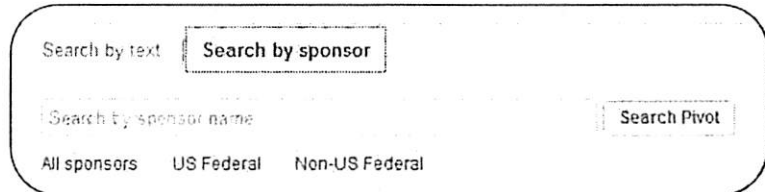

SPONSOR SEARCH

The Pivot Sponsor Search is a predefined search that allows you to search for a specific sponsor and view funding opportunities or search for a sponsor name.

1. On the main **Funding** page, click the **By Sponsor** link located above the **Quick Search** box.

2. Enter a sponsor name in the text box to conduct a search that will display all opps offered by that sponsor or click on a link below the search box to view

the names of **All sponsors**, **U.S. Federal sponsors**, or **Non-U.S. Federal sponsors**. If you choose **All sponsors**, please be patient as the list will take some time to display. If the names are hyperlinked, clicking on the sponsor name will display the funding opps offered.

Note: Many Sponsor names are listed under the name of their larger controlling entity.

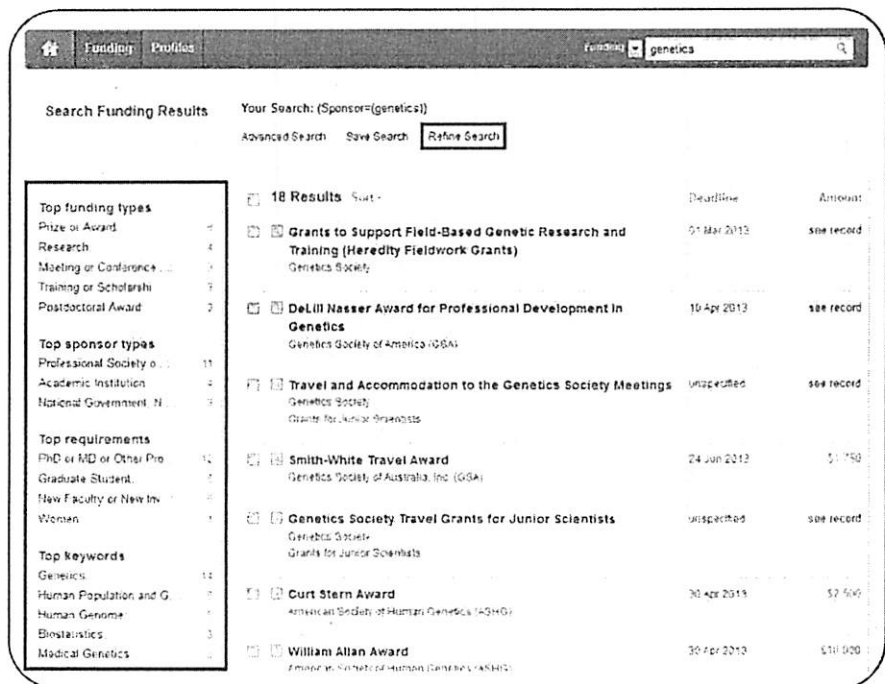

Example: The National Institutes of Health (NIH) is listed as one of the departments in the United States Department of Health and Human Services, under "U." The Sponsors included in this list may change over time as opps are added and removed from the database.

SEARCH RESULTS

There are two different ways to refine your search from the results page: Refine Search or Faceted Searching.

REFINE YOUR QUERY

1. From the search results page, click on **Refine Search** from the top of the page. This option will take you to the **Advanced Search** page, which will display your previous search strategy.

Search Funding Results	Your Search: (Sponsor=(genetics))	Advanced Search	Save Search	Refine Search
Top funding types	18 Results Sort	Deadline	Amount	
Prize or Award 1	Grants to Support Field-Based Genetic Research and Training (Heredity Fieldwork Grants)	01 Mar 2013	see record	
Research 4	Genetics Society			
Meeting or Conference 4	DeLill Nasser Award for Professional Development in Genetics	10 Apr 2013	see record	
Training or Scholarship 7	Genetics Society of America (GSA)			
Postdoctoral Award 2	Travel and Accommodation to the Genetics Society Meetings	unspecified	see record	
Top sponsor types	Genetics Society			
Professional Society or 11	Grants for Junior Scientists			
Academic Institution 4	Smith-White Travel Award	24 Jun 2013	\$1,750	
National Government, N 3	Genetics Society of Australia, Inc (GSA)

PhD or MD or Other Pro 12	Genetics Society			
Graduate Student 2	Grants for Junior Scientists			
New Faculty or New Inv 2	Curt Stern Award	30 Apr 2013	\$2,500	
Women 1	American Society of Human Genetics (ASHG)			
Top keywords	William Allan Award	30 Apr 2013	\$10,000	
Genetics 14	Zimmerman Institute of Human Genetics (ZIHG)			
Human Population and G 7				
Human Genome 1				
Biostatistics 3				
Medical Genetics 1				

REFINE YOUR QUERY

2. Add or remove criteria to narrow down or broaden your original search.
3. Click **Search**.

FACETED SEARCHING

Faceted Searching lets you drill down to include more specific criteria without having to go back to your original search.

1. On the search results page, go to the left side of the page, where you will find the Faceted Search area. This area will break down your search results into specific categories based upon **Submission Type**, **Top Funding Types**, **Top Sponsor Types**, **Top Requirements**, and **Top Keywords**. Above the facets, you may notice that your results are also filtered by country for citizenship and residency and/or activity location. These filters are set by your Pivot Administrator and you can opt to remove the filters from your search query by clicking on the "x" next to the filter.

Submission type	Count
Limited Submission	2
Top funding types

Era of Hope Scholar Award	05 Apr 2013	\$2,500,000

2. Click on the specific faceted search criteria to narrow down your results. Your results list will refresh after you select a facet.

SAVING, TRACKING AND SHARING

SAVING A SEARCH

1. From the search results page, click on **Save your Query** at the top of the page. (If you are not logged in, the system will prompt you to enter your Pivot username and password.)
2. Enter a name for your saved search in the text box.
3. Indicate whether or not you would like to receive a weekly alert email with new or updated opps from this query, using the checkbox.
4. Click **Save**.

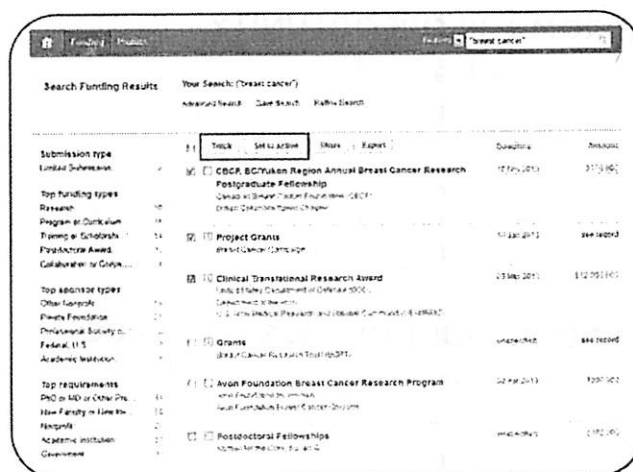

SAVING A FUNDING OPPORTUNITY TO A TRACKED OR ACTIVE LIST

Saving Funding Opportunities in your Pivot account allows you to maintain two separate lists of opportunities you are interested in. Your active list will be a shorter list of your very important opps, and your tracked list will be a longer list of opps that you still wish to keep track of. When you save an opportunity, you will have the option to choose which list you want the opp on. You are allowed to save an unlimited number of opps.

There are two ways to save funding opps. The first is by selecting opportunities from your search results list, which will display options for tracking; the second is from within the individual opportunity.

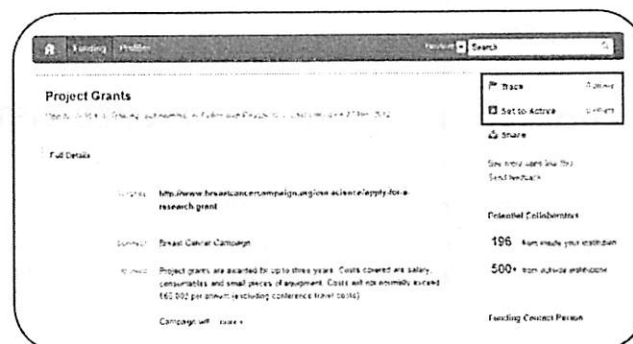

FROM THE FUNDING RESULTS PAGE

1. From the search results page, select which opps to save.
2. Click **Track** or **Set to Active** and choose to put the opps on your **tracked list** or your **active list** (opps cannot be on both lists).
3. By default, you will receive an email when there are updates to these opps. If you do not wish to receive an alert, de-select the email option.
4. Enter a new tag or select from your existing tag list.
5. Click **Add**.

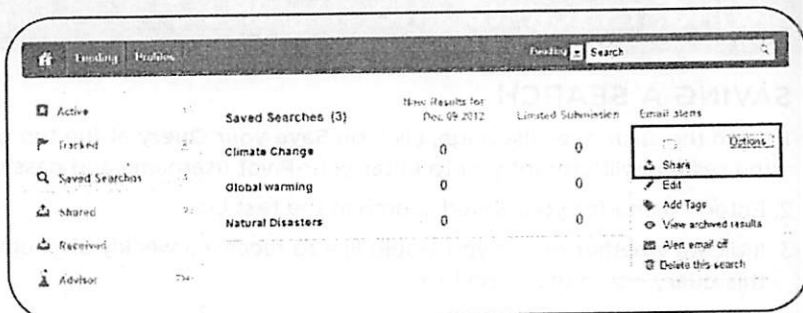

FROM AN INDIVIDUAL OPPORTUNITY

1. Click the opportunity name from the search results page to view the complete details.
2. Click **Track** or **Set to Active** depending on whether you want to put the opp on your **tracked list** or your **active list**.
3. By default, you will receive an email when there are updates to these opps. If you do not wish to receive an alert, you'll need to modify your preference from your Pivot home page Active or Tracked list.
4. Enter a new tag or select from your existing tag list by clicking **Add tag** (which will display once you choose **Track** or **Set to Active**).

SHARING A SEARCH

1. Log in to your Pivot account and click **Saved Searches**.
2. Click **Options** and then **Share**.
3. Enter the name or the email address of the person that you wish to share this search with.
4. Include a message if you would like.
5. Click **Send**.

Note: A unique URL will be generated so you or your colleagues can click to access the full results list of this search strategy. This URL can then be posted to a website, electronic newsletter, listserv, etc. Your colleagues must belong to a subscribing institution to view the results; otherwise, he/she will get an error message when trying to view the search results. Users will need to login with a Pivot username and password if trying to view the results from off-campus.

SHARING A FUNDING OPPORTUNITY

You can share funding opportunities three ways within Pivot—from the opportunity itself, from a funding results list or from your **Active** or **Tracked** list.

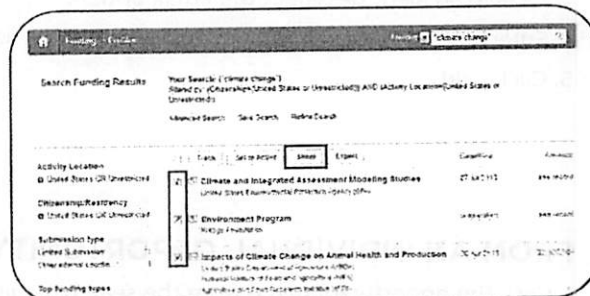

FROM THE OPPORTUNITY

1. Run a Funding search.
2. Select the opportunity you wish to share.
3. Click **Share**.
4. Enter the name or email address of the person you wish to share the opportunity with, include a message, and click **Send**.

FROM A FUNDING RESULTS PAGE

1. Run a Funding search.
2. Select the opportunity(ies) you wish to share.
3. Click the **Share** button.
4. Enter the name or email address of the person you wish to share the opps with, include a message, and click **Send**.

FROM YOUR ACTIVE OR TRACKED LISTS

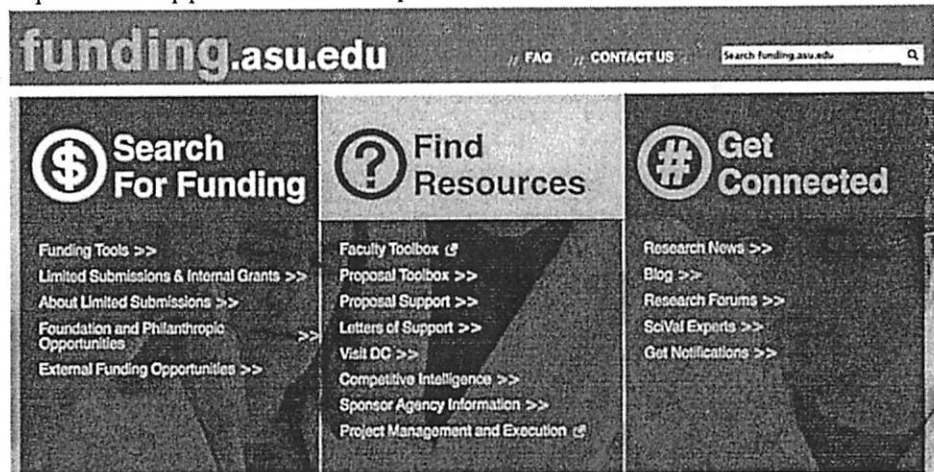

1. Select the opportunity you wish to share.
2. Click **Options**, and then click **Share**.
3. Enter the name or email address of the person you wish to share the opp with, include a message, and click **Send**.

Note: You can also share all of your active or tracked opps or a group of tagged opps. Select the opps you wish to share and click the **Share** button at the top of your list. If you have not narrowed your view by clicking on a tag, you can share all of your active or tracked opps. If you have narrowed your view by clicking on a tag, you can share those specific opps.

OKED's <https://funding.asu.edu> site provides a one stop shop for accessing several tools relevant to the identification of and response to opportunities for sponsored research funds.

Search for Funding – you can access Pivot to create searches for funding opportunities by topic. For a webinar on this, see <https://funding.asu.edu/search-for-funding/funding-tools> (Tools Presentation), limited submissions that may be of interest, and philanthropic opportunities.

Get Connected – you can see upcoming [events](#), view recordings of previous events, and visit our [blog](#).

We host the *funding success skills series (fs3)* - a series that brings senior and more experienced faculty together with early career faculty to discuss phases of proposal development in depth. This event is co-sponsored by ASU's Faculty Women's Association (FWA). It's an informal (read: no presentation) panel discussion over a hosted lunch at Old Main on Tempe campus. Upcoming fs3's include: [Taking a leap of faith: Preparing for a center proposal](#) and [Grants, cooperative agreements, contracts: Oh my!](#)

OKED Research Development also hosts free hour-long workshops for a general audience at the Biodesign Institute's Auditorium. This semesters topics include: proposal writing, budget basics, and proposal layout and graphics.

The *R2D2 blog* features announcements on upcoming webinars of interest for research development, best practice for proposal development, and sponsor agency information.

Most of our events are video recorded and archived on our site.

Updates to the site are emailed on Friday, in a digest format, to those who sign up for notifications: <https://funding.asu.edu/get-notifications>.
